

The Physical

An elderly married couple scheduled their annual medical examinations on the same day so they could travel together.

After the examination, the doctor then said to the elderly man, "You appear to be in good health. Do you have any medical concerns that you would like to discuss with me?"

"In fact, I do," said the man. "After I have sex with my wife for the first time, I am usually hot and sweaty. And then, after I have sex with my wife the second time, I am usually cold and chilly."

"This is very interesting," replied the doctor. "Let me do some research and get back to you."

After examining the elderly lady, the doctor said, "Everything appears to be fine. Do you have any medical concerns that you would like to discuss with me?" The lady replied that she had no questions nor concerns.

The doctor then asked, "Your husband had an unusual concern. He claims that he is usually hot and sweaty after having sex the first time with you and then cold and chilly after the second time. Do you know why?"

"Oh that old buzzard!" she replied. "That's because the first time is usually in July and the second time is usually in December!"

A couple is at an art exhibit, and they are looking at a portrait that has them a little taken aback.

The picture depicts three very black, very naked men, sitting on a park bench; two have black penises, and the one in the middle has a pink penis.

As the couple is looking somewhat puzzled at the picture. The Irish artist walks by and says, "Can I help you with this painting?"

"I'm the artist who painted it."

The man says, "Well, we like the painting but don't understand why you have three African men on a bench, and the one in the middle has a pink penis while the other two have black penises."

The Irish artist says, "Oh, you are misinterpreting the painting".

"They're not African men, they are Irish coal miners, and the one in the middle went home for lunch."

An Arizona cowboy stopped at a local restaurant following a day of drinking and roaming around in Mexico. While sipping his tequila, he noticed a sizzling, scrumptious looking platter being served at the next table.

Not only did it look good, the smell was wonderful. He asked the waiter, "What is that you just served?" The waiter replied, "Ah señor, you have excellent taste! Those are bull's testicles from the bull fight this morning. A delicacy!"

The cowboy, though momentarily daunted, said, "What the heck, I'm on vacation down here! Bring me an order!"

The waiter replied, I am so sorry señor. There is only one serving per day because there is only one bull fight each morning. If you come early tomorrow and place your order, we will be sure to save you this delicacy!

The next morning, the cowboy returned, placed his order, and then that evening he was served the one only special delicacy of the day. After a few bites,

and inspecting the contents of his platter, he called to the waiter and said, "These are delicious, but they are much, much smaller than the ones I saw you serve, yesterday!"

The waiter shrugged his shoulders and replied, "Si, Señor. Sometimes the bull wins."

Elevator Ride

A blonde & brunette are in an elevator.

On the third floor a man gets in who looks perfect- 3-piece suit, great build, nice butt. The bad part is they both noticed he had dandruff.

The man got off on the 5th floor.

Once the doors closed, the brunette turned to the blonde and said, "Someone should give him Head & Shoulders."

To which the blonde replied, "How do you give Shoulders?"
